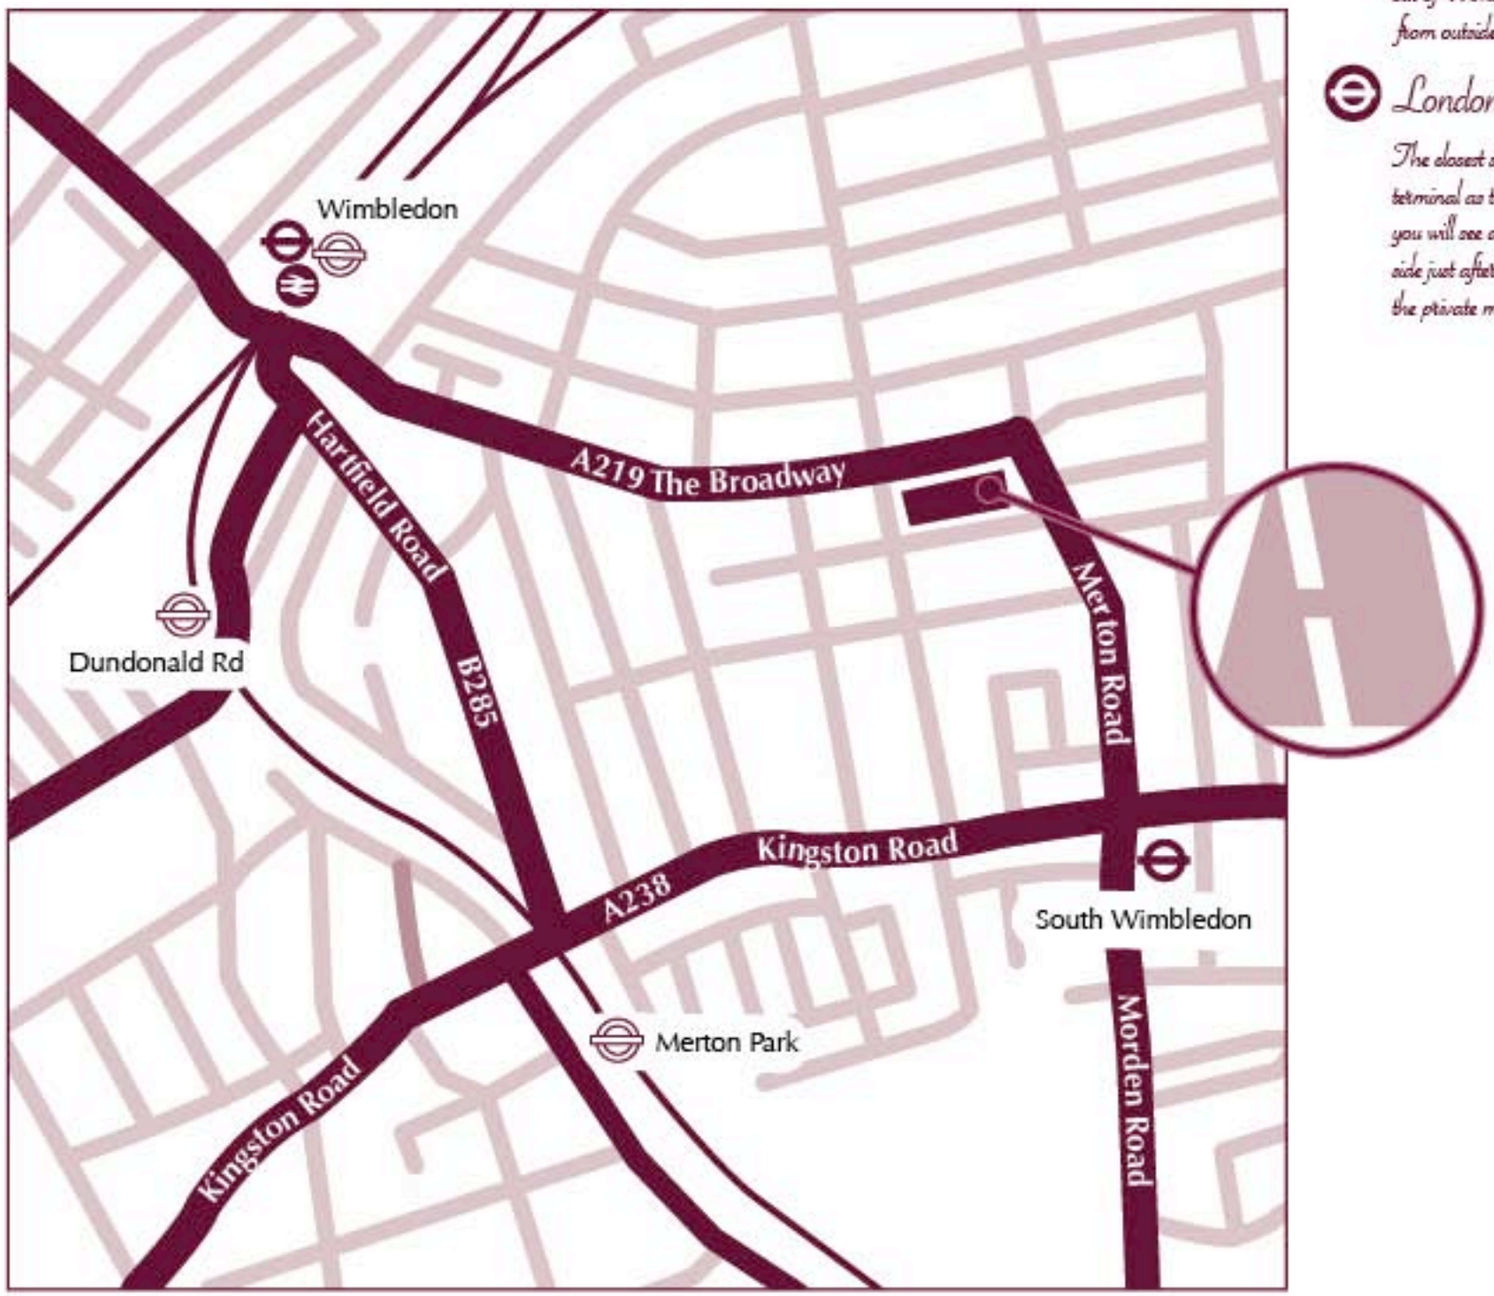
How to find us



Road

Exit M25 at junction 10 and take the A3 into London. Exit the A3 at Merton/Wimbledon exit and follow the A219 from Tibbets Cotner roundabout along Parkside (Wimbledon Common should be on your right hand side). This will lead you into Wimbledon Village, proceed over both mini roundabouts and down Wimbledon Hill into Wimbledon town centre. You will see Wimbledon train station on your left hand side, continue down the Broadway, taking care not to get swept left or right into various one way systems. We are at the bottom of this road, on the right hand side.

Train

Take South West Trains from Waterloo; the journey takes about 10 minutes. Alight at Wimbledon, take a left turn out of Wimbledon station on to the Broadway. We are a 10 minute walk at the bottom of the Broadway. Catch a black cab from outside Wimbledon station if you have luggage.

London Underground

The closest stations are Wimbledon & South Wimbledon. Wimbledon Station is on the District Line which located in the same terminal as the main line train service (see above for directions). South Wimbledon is on the Northern Line, when you exit this station you will see a crossroads directly in front of you. Walk down Merton Road (not Merton High Street) and we are on the left hand side just after the road has veered sharply to the left. This is approximately a six minute walk. Alternatively cabs are available from the private mini-cab office opposite.
