

Calorie Burning - Healthy Heart, Healthy Mind

Hi/Lo Aerobics	Hi and low intensity routines to raise your heart rate and burn calories.
Khai-Bo	Non-contact movements combine the dynamic punching and kicking of martial arts with western boxing. The ultimate aerobic workout.
Step	Mixed intensity of moves to improve cardio-vascular fitness using a step platform.

Strength And Tone – Change Your Body Shape

Body Pump®	A highly motivating workout with weights, targeting specific muscle groups. Burn up to 600 calories per class for fat loss.
Gliding™	Gliding™ exercises allow you to do smooth, graceful movements that firm, tone and sculpt long, lean beautiful muscles.
LBT	Legs, Bums and Tums focus using different exercise styles to change the shape of those troublesome areas.

Calorie Burning + Strength And Tone = All Systems Go!

Box fit	For the enthusiastic exerciser with non-contact boxing moves in a circuit format.
Circuit Training / Aero Circuits	Achieving all-round fitness through short bursts of different exercises and intensities.
Total Body	Hi/lo aerobics, followed by body conditioning and a great stretch section to finish. A real total body experience.

Mind & Body – Relax, Re-Focus And Re-Energise

Body Balance®	Blended mix of yoga, tai chi and Pilates, this class will leave you feeling long, strong, centred and calm.
Pilates	Promotes body awareness, core stability and joint mobility. Pilates can also help correct postural alignment relieving back problems.
Power Stretch	Increase your strength and flexibility a good stress buster class. Please note this class will become Body Balance from June 08
Yoga	Hatha style yoga based on a series of poses rather than exercises, yoga will help to promote flexibility, good posture mental well being and calm.

Dance – Get Those Feet Moving

Dance Exercise	More complex choreography than Dance with Me.
Dance with Me	Stay active learning fun dance routines.
Ceroc	This fusion of Jive and Salsa is easy to learn, sociable and fun, and can be danced to any music.

Specialist – Try Something Different

Aikido	A gentle, yet dynamic martial art, based on the principle of keeping mind and body co-ordinated.
Football	Social lunchtime game.
Volleyball	Invented by the YMCA, Volleyball is a fun way of exercising aerobically

Classic Fitness – Young At Heart!

Ballroom	No partners required! A social way to stay active in this style of partner dance.
Gentle Exercise	Designed to improve stamina, mobility and co-ordination through light aerobics, toning and exercise.
Gym 'N' Tonic	Be guided through a safe and comfortable supervised gym workout. enhance flexibility, strength and co-ordination.
Indoor Mat Bowls	Popular indoor version of bowls miniaturised to play easily inside. A great social activity.
